

Literacy

Physical Development.

- We will continue our PE lessons to develop our balance and coordination skills.
- Children will be involved in numerous outdoor activities to help strengthen their gross motor skills.
- We will focus more closely on helping children to hold their pencil in the correct grip and encourage them to sit properly at the tables ready to write.

RE

- In Autumn 1 we will focus on God's World. We will learn about the story of creation and talk about the different ways we can look after God's world.
- In Autumn 2 we will focus on God's Family. Through this topic the children will learn that we all belong to God's Family. As we approach Christmas time the children will learn in depth about the story of Jesus' birth.

Mathematics

- In Mathematics we will start to look at numerals 1,2,3 in depth. We will look at the different ways we can make this numbers and then move on to 4 and 5.
- We will also look at patterns in shapes, symbols and numbers.

F2 Autumn

Curriculum Overview

Expressive Art & Design

- Children will explore a variety of different materials that they can create with and will be encouraged to think of different ways to use them!
- We will look at the different colours that Autumn brings with it and explore how to use these while painting, drawing and printing.

Communication & Language

- In F2 we love to talk, talk, talk! Children are encouraged to share their thoughts and ideas on everything while at school. We will encourage children to share news from home as much as possible and practice our listening skills while our friends talk!

Phonics

- F2 will start their formal phonics sessions in F2! They will learn a new sound every day and be taught to blend them together to read and write words!

Understanding the World

- Throughout the Autumn term we will be closely monitoring and observing the weather. We will discuss all the changes that autumn brings and encourage the children to collect signs of autumn while out and about.
- We will be looking closely at different zoo and forest animals. We will make observations of these different animals and their habitats and encourage the children to talk about them.

PSED

- During the autumn term we pay lots of attention to ensuring that all our children feel settled and happy in their new school routine. Children will develop their confidence at trying new things
